

Explore Our Defining Natural Resource

There are so many opportunities to love and enjoy the White River year-round. Whether you're into paddling, hiking, shopping, concerts, fishing, or just like being immersed in nature, there's always something fun to do on the river or along its shores. Take a look at the map to learn more about all the possibilities.

A Few Notes on River Safety

 **Be aware** of your surroundings and river conditions, including the potential for flooding.

 **Touch the river with your feet**, not your face and be aware of water quality concerns.

 **Be considerate** of fishermen and give them adequate space. When fishing, be sure to have a license and follow consumption guidelines.

 **Navigate carefully**, being aware of hazards, dams, paddlers, and boaters.

 **Be a good steward** by not littering, trespassing on private property, or disturbing wildlife or habitat.

 **Wear a life jacket** at all times when on the water.

Love the river. And it will love you back.

Making sure the White River is a clean, welcoming, and inclusive place for all is our top priority. Please do your part in helping us preserve this crucial natural resource so it can be enjoyed by others for generations to come.

Central Indiana's White River

For Hamilton County and Marion County
